**Sea Salt Therapy at Home**

You may not always have the time and money to visit a resort or spa. There are several therapies you can enjoy at home with little or no mess and preparation. Have your own spa treatment at the comfort of your home.

Dead Sea Salt contains the highest concentration of the following important minerals:

**Magnesium** is a mineral that helps:

- combat stress
- prevent water retention
- increase blood circulation
- speeds up cell metabolism
- skin healing

**Potassium** is a mineral that helps:

- energize the body
- balance skin moisture

**Bromide** is a mineral that helps:

- promote relaxation of muscles

(Dead Sea Salt contains 50 times more Bromide than common salt)
